## JOIN US FOR QLD'S QUIRKIEST YARBOMBING & JAZZ WINTER FESTIVAL!

**SATURDAY 19 JULY - DAY TRIP - \$78 INCLUDES MORNING TEA**

Jumpers and Jazz in July kicked off in 2004, thanks to the Warwick Art Gallery's brilliant idea to cozy up our chilly winter streets with some snazzy textile art draped around our bare trees. Get ready to feast your eyes on those quirky tree jumpers and explore the artisan markets at the Warwick Art Gallery!

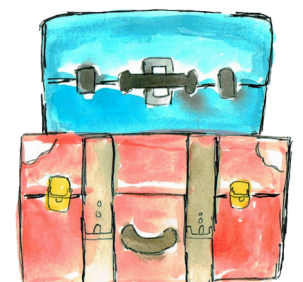

The town hall area will be buzzing with jazz tunes starting mid-morning, where you can chill at tables and gazebos while local vendors serve up scrumptious food and drinks. A quick stroll will lead you to the Spinners and Weavers' pop-up extravaganza and the fabulous Flower Tower at St. Marks Church. Plus, over 40 more artisan pop-up shops are hanging out nearby at the local RSL.

**Mark your calendars: a \$20 deposit secures your spot, with the balance due by June 19!**
